According to the current regulation “On the Selection of Partner Brands for Forming Alliances of the Russian Railways Brand with other Brands,” approved by Russian Railways Order No. 200r dated January 28, 2014, the Russian Railways Museum has determined the criteria for selecting a counterparty for events at the Russian Railways Museum.

A potential counterparty must:

- Represent brands that are leaders in their respective market/field of activity and have a high reputation among existing and/or potential target audiences of the Russian Railways brand.
- Represent controlled corporate brands related to profitable types of business.

A potential counterparty cannot:

- Compete with the Russian Railways (RZhD) brand at the present time or have the potential to compete in the future.
- Carry out activities that contradict the legislation of the Russian Federation or are the following types of activities:
 - Production and distribution of tobacco products.
 - Production and distribution of alcoholic beverages.
 - Production and distribution of biologically active additives.
 - Organization and holding of gambling and lotteries.
 - Provision of erotic services, manufacture and distribution of goods, literature and information of an erotic nature, including on the internet.
 - Provision of financial services for high-risk transactions that may lead to loss of customer funds (for example, operations on the Forex market).
 - Distribution of goods and services through network marketing.
 - Political and religious activities (political parties and organizations, public associations and movements, sects, religious organizations, etc.).
 - Other types of activities that may be considered inconsistent or contrary to the platform of the Russian Railways brand.
